ISUW REACH

India Smart Grid Forum (ISGF), a PPP initiative of Government of India, is pleased to invite you to participate in 6th Edition of its flagship annual event - India Smart Utility Week (ISUW 2020). ISUW is being organised since 2015 and it is considered as one of the top five international events on Smart Grids and Smart Cities.

ISUW 2020 will include plenaries, keynotes, interactive workshops, high level roundtables and technical sessions on a range of Smart Grid related themes as mentioned below.
