TECHNICAL SESSIONS

Around 300 papers will be orally presented on **virtual platform** in parallel technical sessions in addition to around 100 poster presentations, also on **virtual platform**, during CHEMCON-2021. Detailed technical program will be available on the website soon.

PARTNERSHIP

CHEMCON-2021 has joined hands with many other organisations to make the conference more efficient, innovative & collaborative. The conference partners are briefed below:

Publication

Wiley and Springer are the publication partners of CHEMCON-2021. Some selected papers will be considered for publication in The Canadian Journal of Chemical Engineering (Wiley) after the peer review process. The conference proceedings will be published by Springer for the selected papers on the theme "Sustainable Chemical, Mineral and Material Processing".

Exhibition

Four days exhibition for all **Chemical and Mineral Industries**, equipment manufacturers and service providers in mining, minerals, chemicals & allied businesses including safety, emerging technology providers, consultants, etc. will be held during CHEMCON-2021. Indian Chamber of Commerce is the Exhibition Partner. Exhibition fee per stall is **INR 15,000/-** including GST. For detail information, [Click Here](#).

Industry

The industry partner is Indian Chemical Council (ICC), Mumbai. ICC is the apex national body representing all branches of the Chemical Industry in India such as Organic & Inorganic Chemicals, Plastics & Petrochemicals & Petroleum Refineries, Dyestuffs & Dye-intermediates, Fertilizers & Pesticides, Specialty Chemicals, Paints etc. Detail information are available on: <https://www.indianchemicalcouncil.com/>.

Media

The media partner for the event is Chemical Industry Digest. Chemical Industry Digest, published by Blockdale Media LLP, is a technical journal oriented towards engineers and decision makers in all chemical & process industries. Detail information are available on: <https://chemindigest.com/>.

JOINT INTERNATIONAL SYMPOSIA

The collaborators for joint International Symposia are Canadian Society for Chemical Engineering (CSCHE, Canada) and South African Institution of Chemical Engineering (SAICHE, South Africa). Invited Speakers from India, Canada and South Africa will be delivering talks on specific theme as given below:

Indo-Canada

Partner: CSCHE, Canada

Theme: Sustainable Energy and Environment

Indo-South Africa

Partner: SAICHE, South Africa

Theme: Clean Coal Technologies

The names of the invited speakers have been updated in the conference website. For details about the Indo-Canada Speakers, [Click Here](#) and the Indo-South Africa Speakers, [Click Here](#).
