INTRODUCTION

INDSTT Trenchless Excellence Awards (ITEA) are meant to motivate individuals' and organizations' contribution in subsurface construction domain and to promote replicable best practices in the Indian trenchless industry. INDSTT has initiated these awards which recognize and honor the valuable contributions and work of Indian Trenchless Fraternity that has significantly enriched the subsurface construction domain and has helped bring about a change in our construction practices.

At our annual event the No Dig India Show, the work and achievements of individuals and organizations shall be recognized and applauded. The awards are an embodiment of encouraging truly successful efforts from individuals and organizations that have made a mark on the present Indian Trenchless Industry in terms of delivering better outputs, processes and creating higher benchmarks for trenchless industry to help in nation building.

Held on the inaugural day of the No Dig India Show 2022 at Aerocity Ground, Downtown Area, Aerocity, New Delhi, on Monday 19th December 2022, IndSTT Trenchless Excellence Awards is an exclusive event that will bring together dignitaries, nominees and guests to celebrate exceptional achievement within the trenchless technology sector.

Judged by an independent panel of experts both from public and private sector, the awards are open to private contractors, consultants, manufacturers, academicians, engineers, operators and utility owners serving the Subsurface Construction Industry.

Last date for entries is 15th September 2022.

- ✦ Achievement Award for Best Tunneler of the year
- ✦ Achievement Award for Best Public / Private Officer of the year
- ✦ Achievement Award for Industry Doyen (2 Nos.)
- ✦ Achievement Award for Academician/Technologist/Scientist (8 Nos.)
- ✦ Best Professionally Managed Company (4 Sub Categories)
 - ✦ Category - I (Turnover > Rs.500 -1000 Cr)
 - ✦ Category - II (Turnover Rs. 50 to Rs.500 Cr)
 - ✦ Category - III (Turnover < Rs.50 Cr)
 - ✦ Category - IV Entrepreneur

AWARD CATEGORIES

'Award for Best Trenchless Project Design'

'Best Trenchless Project Design Award' recognise the project, designed to use materials, processes or services that reduce its environmental, human health or social impacts in its intended use, throughout its life cycle and across its supply chain. Project must be embodying circular and/or regenerative design principles such as designing for waste and pollution, prolonging life-span, minimising material usage, utilising digital solutions, or regenerating natural systems and processes.

'Award for Best Project / Technology Innovation'

'Best Project / Technology Innovation Award' honours the contractors/consultants which demonstrates unprecedented knowledge, advancement, solution implementation, environment sustainability, cost management whilst delivering excellent client service and are accelerating the pace of project deliverance while transforming the competitive landscape with innovative technologies, platforms and services.

'Award for Best Project Management'

'Best Project Management Award' recognises the excellence in project management through the strategy, planning, execution and successful results of a technology venture which has delivered a positive and commercially viable impact on the project over a cumulative period of not less than five years.

'Award for Creating Social Development & Impact'

'Creating Social Development & Impact Award' recognise the overall positive impact of the project, what measurable sustainable outcomes can be achieved and if it will have a long-lasting and positive impact for the client, on society, the economy, and our environment.

'Award for Health, Safety and Environment'

'Award for Health, Safety and Environment' honours the organization's respect for human life and well-being as reflected in the practices regarding Health, Safety & Environment in project.

'Award for Best Project'

'Award for Best Project' recognises the excellence in projects which contribute to the built environment whilst contributing to immediate and long-term environmental goal, economic and social improvements, degree of innovation & transferability, relevance to the policies and cost-effectiveness.

AWARD CATEGORIES

'Award for Best Driller of the year'

'Best Driller of the year award' recognises an individual who has been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology services. This award honours an exceptional driller within trenchless technology who has displayed leadership, excellence and vision over a long serving career.

'Award for Best Tunneler of the year'

'Best Tunneler of the year award' recognises an individual who has been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology services. This award honours an exceptional tunneler within trenchless technology who has displayed leadership, excellence and vision over a long serving career.

'Award for Best Public / Private Officer of the year'

'Best Public/Private Officer of the year Award' recognises the public / private official who has undertaken exemplary initiatives/work which has facilitated growth and development of the infrastructure/construction sector. Officers having served Government/Public Sector Unit/ Undertaking for the last 10 years are eligible to apply.

'Award for Industry Doyen'

'Award for Industry Doyen' recognise the exemplary contribution by the persons who have displayed leadership, excellence and vision over a long serving career and have been instrumental in shaping and driving the evolution and successful impact of technology within trenchless technology sector.

'Award for Academician/Technologist/Scientist'

'Award for Academician/Technologist/Scientist' recognize excellence in academics/significant contribution/innovation of new technology, products, services and good practices for the growth and development of trenchless technology sector.

'Award for Best Professionally Managed Company'

'Award for Best Professionally Managed Company' recognises the achievements of an organization who have contributed significantly to the growth & development of the trenchless technology sector through their works undertaken for public welfare, technological innovation and nation building.

NO DIG INDIA SHOW 2022

12th International Conference & Exhibition

A large, stylized logo for the No-Dig India Show. It consists of two overlapping, curved gold shapes that form a partial circle. Inside this graphic, the text "No-Dig INDIA SHOW" is written in a bold, gold, sans-serif font. "No-Dig" is on the top line, "INDIA" is on the middle line, and "SHOW" is on the bottom line. Each line of text is underlined with a thin gold line.

**No-Dig
INDIA
SHOW**

IndSTT Trenchless Excellence Awards 2022 will be hosted on the inaugural day of the No Dig India Show 2022, the biggest trenchless technology exhibition and conference in the Indian Subcontinent. IndSTT Trenchless Excellence Awards is set to provide finest opportunity to the awardees to boost up their business network while getting recognized for their achievements.

FORMAT AND CONTENT OF THE SUBMISSION

Format

- ✦ The nominations must be formatted in Arial 12-point font single spaced in a Microsoft Word compatible document.
- ✦ The front cover of the nomination must indicate the category being entered.
- ✦ The nominations are to be in colour.
- ✦ Indicative page limits are flexible; however total content is not to exceed 5000 words or 10 A4 pages.
- ✦ The nominations may refer to other projects undertaken by the individual. Written consent to the use of any project in the nomination should be sought from the project client/owner.
- ✦ The written consent and any endorsements or referee reports must be included in the nomination. Consent is also required for the use of project information, photographs, company logos and the like, used within the nomination. Non-conforming nominations may be rejected.

The nominations should address the following five sections.

Section 1 General Information

- ✦ Name of the nominee/organization
- ✦ Complete contact details of the nominee / organization including postal address with pin code, phone, fax, email and mobile nos.
- ✦ Name and contact details of the project owner/client representative
- ✦ Confirmation that consent to use the project(s) has been received from the client/owner
- ✦ Confirmation that consent to use photographs, company logos and the like has been received
- ✦ Confirmation that the project(s) have an approved plan and budget
- ✦ Award category
- ✦ Statement of significance/achievement
- ✦ Previous recognition letters / certificates / citations received Newsletters / Videos / Paper cuttings in support of your nomination

Section 2 Executive Summary

Provide a summary of not more than 500 words of the individual/institution, including performance, program/project outcomes, and program/project responsibilities. This summary may be used in any audio-visual presentation compiled by IndSTT for the TEA awards.

Section 3 Curriculum Vitae/Team Profile/Company Profile

In this section provide a Curriculum Vitae/Team/Company Profile or detailed summary of the individual/team leader (indicatively Four (4) pages), to sufficiently summarise relevant educational and work background, including program (s)/project(s) undertaken, and any other relevant information such as project value, size of team managed, etc.

Section 4 Project Context

To provide the context in which the individual/institution was working, provide a brief outline of the program(s)/project(s), including purpose, outcomes, and level of complexity; as well as the project management methodology applied. The summaries should include the success of the project(s) by comparison of the planned and achieved outcomes.

Section 5 Write- Up

This section requires the nomination of narratives and evidence which reflect the management performance of the individual/institution in achieving or exceeding desired project outcomes through the application of best practice and the demonstration of outstanding achievement and innovation.
