About SIAL Paris

SIAL Paris is the biggest one-stop shop in the sector, uniting top tastemakers and trend-seekers for five days of business exchange and high-quality presentations and lectures.

With over 50 years of history, SIAL Paris has become the main source of inspiration and innovation for the international F&B market. In 21 product sectors, which include all essential food groups, food processing and the latest trends, SIAL participants can discover 400,000 quality products from 119 countries and gather insights on the global market. The most up-to-date content on innovation and market developments can be found at SIAL Innovation, while the Future Lab unveils what's next for the F&B business. SIAL Talks and the Alternative Food Forum will offer a full menu of pertinent topics. SIAL 2022 will spread innovative ideas through renowned keynotes and speakers, including a three-Michelin star chef, presenting a pioneering approach to creating a circular gastronomy one restaurant at a time.

With over 300,000 trade visitors, including retailers, importers, buyers and tastemakers, attending SIAL Paris 2022 is invaluable for your business success. Matchmaking tools, networking events and guided tours will ensure an efficient visit and help you connect with the right suppliers and clients.

About ASSOCHAM

The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country's oldest apex chamber. It brings in actionable insights to strengthen the Indian ecosystem, leveraging its network of more than 4,50,000 members, of which MSMEs represent a large segment. With a strong presence in states, and key cities globally, ASSOCHAM also has more than 400 associations, federations and regional chambers in its fold.

Aligned with the vision of creating a New India, ASSOCHAM works as a conduit between the industry and the Government. The Chamber is an agile and forward looking institution, leading various initiatives to enhance the global competitiveness of the Indian industry, while strengthening the domestic ecosystem.

With more than 100 national and regional sector councils, ASSOCHAM is an impactful representative of the Indian industry. These Councils are led by well-known industry leaders, academicians, economists and independent professionals. The Chamber focuses on aligning critical needs and interests of the industry with the growth aspirations of the nation.

ASSOCHAM is driving four strategic priorities - Sustainability, Empowerment, Entrepreneurship and Digitisation. The Chamber believes that affirmative action in these areas would help drive an inclusive and sustainable socio-economic growth for the country.

ASSOCHAM is working hand in hand with the government, regulators and national and international think tanks to contribute to the policy making process and share vital feedback on implementation of decisions of far-reaching consequences. In line with its focus on being future-ready, the Chamber is building a strong network of knowledge architects. Thus, ASSOCHAM is all set to redefine the dynamics of growth and development in the technology-driven 'Knowledge-Based Economy'. The Chamber aims to empower stakeholders in the Indian economy by inculcating knowledge that will be the catalyst of growth in the dynamic global environment.

The Chamber also supports civil society through citizenship programmes, to drive inclusive development. ASSOCHAM's member network leads initiatives in various segments such as empowerment, healthcare, education and skilling, hygiene, affirmative action, road safety, livelihood, life skills, sustainability, to name a few.
