Pune International Business Summit - 2025

MCCIA boasts a rich legacy of 90 years, representing approximately 3,000 members across 17 industry sectors, including small, medium and large enterprises throughout Maharashtra. We have been actively promoting Pune and other parts of Maharashtra as compelling investment destinations and crucial centers for goods and services exports. Additionally, we have been supporting exporters in expanding their global presence.

Over the years, MCCIA has been fortunate to receive valuable guidance and support from senior officials at the Ministry of External Affairs, Government of India. This has facilitated business delegations from abroad to visit Pune, Maharashtra, and connect with us to strengthen business ties.

In line with these objectives, we are organizing a "Buyer-Seller Meet" which will take place on February 24th and 25th, 2025, during the Pune International Business Summit – 2025, at JW Marriott, Pune.
